

DRAWING

Exploring the creative process in art, culture & the everyday

...make a drawing!

At DRAWING we have exhibitions and events all over the region showing drawings from lots of different artists.

Today we would like you to become an artist, make a drawing and then share it with us.

What would you like me to draw?

Here are some ideas:

- Your family
- Your house
- Your favourite food
- A memory from a holiday
- What you can see right now
- A character from a book you like

How do I share my drawing?

If a grown up takes a photo they can share it on our twitter page or Facebook page using #drawingNE. They can email it to hello@drawingne.org.uk

What will happen to my drawing?

We might put it on our website or we might share it on our Facebook or twitter pages!
